*Promoting Paint Horses in British Columbia*

Hello ...

The BC Paint Horse Club has big plans for the new year! In addition to our Open Show and Competition Program, the Free Trophy Program and our Youth Scholarship, we are once again collaborating with the Lower Mainland Quarter Horse Association to present an all breed open show this summer.

To help keep these opportunities available to our members and exhibitors, we have created a sponsorship program that provides our corporate sponsors with benefits they can value in exchange for their support.

There are over 3,000 Paint Horse owners throughout BC. Over 850 of them are signed into our Facebook accounts. As a BC Paint Horse Club sponsor, an early-in-the-year commitment means you'll get the maximum exposure for your support -- whether that's your logo on our show program and posters, or continuous recognition and a link from our website and regular mentions on Facebook. With your generous support, we can help you increase brand awareness for your business among horse owners in BC and acknowledge your patronage. Be sure to have a look at our website [[www.bcphc.com](http://www.bcphc.com)].

We would really appreciate your support!

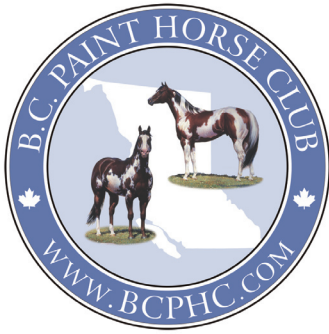

Sincerely,

BC Paint Horse Club
